27TH March 2014

To Whom it concerns:

As part of my yearly financial review I contacted my BNI colleague Billy Phelan for some advice. Having reviewed my situation Billy outlined a very satisfactory plan of action. I was very impressed with his knowledge and experience, and the professional way he dealt with my business.

I would have no hesitation in recommending Billy to all my family and friends. I will definitely be contacting Billy for all my financial needs in the future.

Yours sincerely

Jimmy O'Brien

Director O'Brien Motors
