Testimonial for Billy Phelan – Citadel Financial Advice

To whom it may concern,

I recently asked Billy Phelan for some financial advice regarding a deposit account. Billy arranged a meeting with me to discuss the matter further.

Billy researched the market for the most suitable product to meet my financial requirements. He was able to find a very competitive rate and his comprehensive advice proved very helpful to me. Billy dealt with all the paperwork and the whole process was very satisfactory.

I can certainly recommend Billy Phelan to anyone looking for financial advice.

Yours sincerely,

Kevin Whittle
